

Ryan House Virtual Community Breakfast

Dear Friends:

On May 14, 2021, Ryan House will be hosting their Virtual Community Breakfast and Online Auction. We know this year has been difficult for many and that you have many choices when it comes to making a charitable contribution. We hope that you will please consider a donation to this year's auction as we hold our breakfast virtually this year.

Please know that this gift will be put to excellent use as we continue to help our children and families navigate difficult life-limiting and end-of-life journeys. Ryan House is the only facility that provides respite, palliative and hospice care to children in the Southwest, and one of only three in the country. We are especially grateful for your support as our services are provided at no cost to families.

Ryan House embodies the deep love and compassion this community has for Arizona's most medically fragile children and their families as they face the unimaginable. Parents tell us we bring hope, and that we are a place of firsts – first laugh, first sleepover, first swim, first song, first snuggle. We need to be a place of firsts for all children and families who need this care.

Once again, thank you for your consideration.
